Sodexo Amata Services

“ Your quality of life
is our top priority ”

Sodexo Amata Services Co., Ltd. offers Integrated Facilities Management (IFM) services to factories located in industrial estates such as Amata City Chonburi and Amata City Rayong but also to manufacturing plants in the whole Eastern Economic Corridor.

With a wealth of expertise to provide Smart and Sustainable IFM Services and our use of technology combined with flexible workforce management allows our clients to adjust their cost to the peaks and troughs of their operation without ever compromising on Health and Safety standards or quality of service.

In order to keep the on-site team to a minimum, whilst providing expert monitoring and fast response. We operate from the Amata Command Center (ACC) situated at the heart of Amata City Chonburi offering a unique combination of 24/7 remote monitoring of critical systems with specialist mobile teams ready to support our staff based on our client's premises.
